Henry E. (Gene) Kodama, State Forester

---

January 6, 2011

Dear Sir or Madam:

Attached is the South Carolina BMP Courtesy Exam Log for December 2010. Eighteen sites were closed out during the month. None of these sites were found to be out of compliance with applicable BMPs, and no water quality impacts resulted from these forest operations.

On the courtesy exams completed this month BMP Foresters provided recommendations to assist with compliance on six sites. BMPs were properly applied by those responsible on twelve sites reported this month.

Data collection for the next compliance and implementation monitoring survey has begun, and will likely result in reduced numbers of courtesy exams being reported. This is the initial phase of a three-year BMP monitoring project.

Please contact the appropriate BMP Forester or me if you need further information concerning this report. I can be reached by phone at (803) 896-8593 and email at [gsabin@forestry.state.sc.us](mailto:gsabin@forestry.state.sc.us). Thank you for your interest in our BMP program.

Sincerely,

Guy R. Sabin  
Environmental Program Manager
