Henry E. (Gene) Kodama, State Forester

August 13, 2010

Dear Sir or Madam,

Attached is the Courtesy Exam Log for July 2010. Twenty-seven sites were closed out during the month. None of these sites were found to be out of compliance with applicable BMPs, and no water quality impacts resulted from these forest operations.

BMP Foresters provided recommendations to assist with compliance on four sites closed out this month, and one site required remedial action to achieve compliance.

Please contact the appropriate BMP Forester or me if you need further information concerning this report. I can be reached by phone at (803) 896-8593 and email at [gsabin@forestry.state.sc.us](mailto:gsabin@forestry.state.sc.us). Thank you for your interest in our BMP program.

Sincerely,

Guy R. Sabin  
Environmental Program Manager
