

Harbison State Forest

FOREST PRODUCTS SALE

Sale #HSF-66-ADV-TS-18

Sealed lump sum bids will be accepted until June 5, 2018 11:30 A.M., by Harbison State Forest, 5600 Broad River Rd. Columbia, SC 29212 for the sale of approximately 716 tons of pine pulpwood, 91 tons of pine chip-n-saw, 1841 tons of pine sawtimber, 210 tons of Harwood sawtimber and 151 tons of hardwood pulp on approximately 53.4 acres. Bids will be accepted in person, by mail, or by email to (JMiller@scfc.gov). The seller does not guarantee the approximate volume stated above, and each bidder is encouraged to make their own determination of volumes.

This sale consists of two (2) blocks containing approximately 53.4 acres to be harvested.

Block A. (38.15 acres) This block will be harvested utilizing a modified seed tree method. **Trees to be left are marked in YELLOW paint.** All non-leave stems must be felled. All merchantable material **must** be removed from harvest area. The sale boundaries are indicated on the attached map and are marked with **red paint**. Pole quality trees are likely present in this stand.

Block B. (15.25 acres) This block is to be rotationally harvested. All stems are to be cut within sale boundaries; All merchantable material **must** be removed from harvest area. The sale boundaries are indicated on the attached map and are marked with **red paint**. Pole quality trees are likely present in this stand.

No log decks, tops, or equipment will be allowed in stands joining the sale area. Damage to adjoining areas will be assessed against the performance bond. Existing roads and firebreaks may be used but must be left free of logging debris and in reasonable condition. All recreational trails will be given protection.

A pre-harvest conference between the successful bidder and the sales administrator of Harbison State Forest will be held prior to commencement of harvest and BMP compliance will be required. Harvesting operations must be overseen by a T.O.P. Logger.

Bids will be for a lump sum price. Payments must be made within (15) days of notification of Commission approval. The successful bidder shall submit a performance bond in the amount of 10% of the sale value at time of contract signing. The successful bidder will have (12) months to remove the timber.

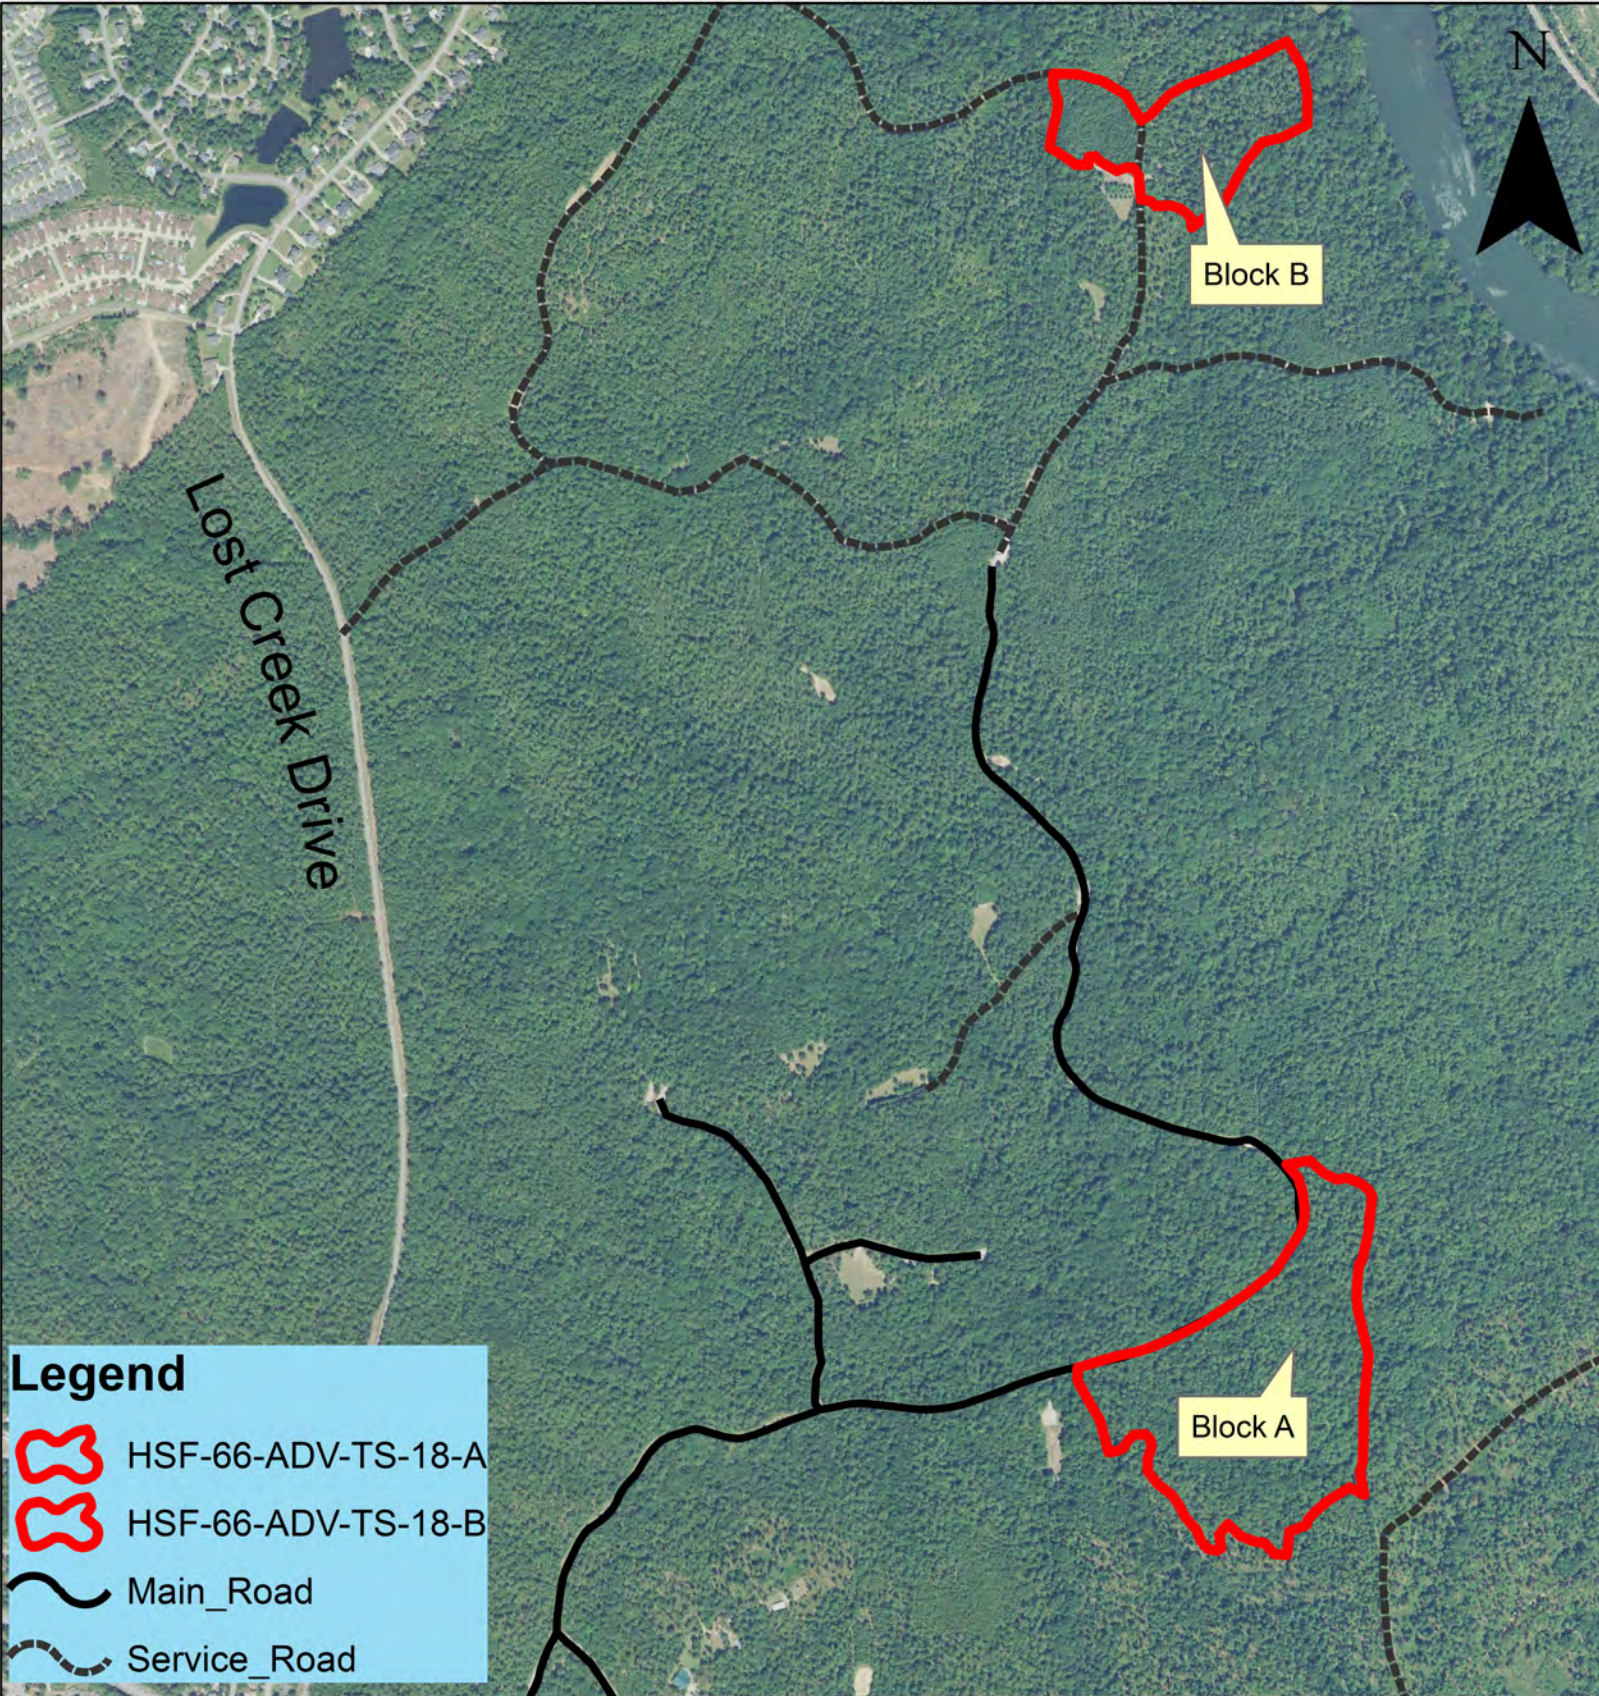

Harbison State Forest is certified through the Sustainable Forestry Initiative® (SFI) and The American Tree Farm System® (ATFS) Standards. A copy of our Sustainable Forestry Policy is available on our website: www.state.sc.us/forest/.

For additional information, contact James Miller, Forest Director. The SC Forestry Commission reserves the right to reject any or all bids.
