If more than one product was produced, then mills were included in more than one category. The following mills were effected:

A & K Mulch: Sawmill and Other (Mulch).

Collum Lumber: Sawmill and Other (Pole and Post)

Portable sawmills were not included in TPO reporting, but based on results from 2013 survey efforts, 18 mills were identified.

Other Mill categories include: Pole and Post, Mulch, Shavings, Biomass

Total Secondary Mills	731
