

**SC URBAN AND COMMUNITY FORESTRY CONSULTANTS LIST**  
**Updated January 1, 2012**

This list is produced by the South Carolina Forestry Commission as a service to local governments, state government agencies, non-profit organizations, homeowners, businesses, and other individuals interested in urban and community forestry services. This list is provided with the following qualifications:

- This list is as current as possible as of the date printed above.
- The information is presented as provided by the vendor with minor clarifications.
- None of the information has been validated by the Commission.
- This list is not an endorsement, certification, or recommendation of any of the firms listed below; users are encouraged to contact others who have knowledge or experience of a firm's services.
- This list will be updated on a yearly basis as applicable; users may contact the Urban Forestry Coordinator at the Commission for an up-to-date list.
